

# CALZURO® Pro Safety

WITH SAFETY TOE-CAP

Soft and practical professional footwear with closed back-heel, made of a brand new special ultra-light copolymer, latex-free and casein-resistant.

Easy wear slip on and slip off and safe fit for maximum comfort and further your safety policy at work. Supplied without side vents, with antistatic plug and with synthetic polymer metal-free protection toe-cap (impact resistance of the toe-cap: 200 Joule on the toe).

The safety toe-cap provides adequate protection against mechanical risks such as impact and crashing/breakthrough, at the same time it is lighter than leather safety shoes with steel toe-cap.

Slip-resistant sole, CE certified. 100% Made in Italy.

**Certified according to EN ISO 20345:2011, requirements:**

**S4** (additional requirements):

- **Closed heel area**
- **A (antistatic properties)**
- **E (energy absorption of seat region)**
- **Cleated outsole**
- **SRC** (slip resistance)

**MEDICAL DEVICE CLASS I NON STERILE: DM 1770386**
